

dashmoto®

dash 3 Williams Edition
with standard battery for travel

Scooter

Upright (Ready to Ride)	H 37"
	L 44"
	W 24"
	Weight 46.5 lbs
	Without battery 39.3 lbs

Folded (with Seat Removed)	H 20"
	L 44"
	W 24"
	Weight 28.7 lbs

Battery

Certification	UL2271 certified
Battery cells	Samsung
Type	Lithium-ion
	Dry, non spillable
Nominal Voltage	46.8 V
Capacity	280 Wh, 46.8V x 6Ah
Dimensions	15" x 6" x 2"
Weight	5.7 lbs

Charging time	2.5 hours
Max Range	15 miles

Electrical Isolation: Removing the battery disconnects power to the scooter. The dash 3 cannot be powered on or operated without the battery installed
